Interactive Whiteboard

EasyBoard EBT 86 FTW 6T

EBT 86 FTW 6T Main Features

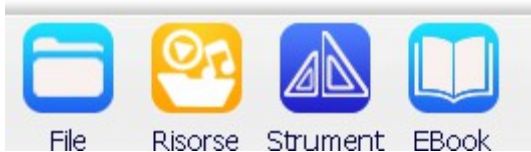

- Wide screen 86" 16:10 aspect ratio for high-impact lessons for use with your fingers and / or colored markers
- Innovative Software EasyBoard with ICONS
- Infrared technology multi-touch 3D up to 6 simultaneous touches.
- Connection by USB / Wireless (optional)
- Multi language
- Hotkeys
- Zoom + / Zoom -
- Highlighter
- Immediate interaction thanks to the "Finger Touch"
- Ability to write and draw with extreme simplicity on video
- User Toolbar fast and totally intuitive
- Simple Screen Capture
- Saving and recording of lessons such as movies
- Geometry Module, Geometric Functions in 3D
- Software Module Functions of Mathematics 3D

EBT 86 FTW 6T Technical Specification

Modello	EBT 86 FTW 6T 3D version
Tecnology	Infrared
Simultaneous Touches	6 Simultaneous touches
Program included	Easy Board 3D Software – Geometric Functions in 3D
Material	Aluminum frame, Living in cells of honeycomb aluminum and steel enamel glare
Size	86,5" - 16:10
Active Area:	1765.1mm x 1048.6mm (con HotKey)
External Size:	1868.1mm x 1129.6mm
Touch accuracy	± 2 mm
Transferring Rate	8-10 m/s
Resolution	32768(W) × 32768(D)
Power Supplied:	USB 5Vcc
Consumption:	≤1W(200mA DC 5V)
Supplied as standard:	4 Stilus Pen USB Cable 6 Mt Wall Support Kit
Operating Systems Supported	Windows 7/8 ,Linux , Mac ,Android.
Driver:	Auto-installing
Warranty:	2 years
Certification:	CE, FCC, RoHS, ISO
